

# SHREWSBURY RESTAURANT WEEK

Nov 4-10  
2024

Explore Shrewsbury morsel by morsel, street by street, as we bring a huge variety of restaurants, cafes and food retailers together to offer special deals, menu items, and events in a celebration of our town's incredible food scene! Eat High Street, eat Mardol, eat Wyle Cop, eat the Market Hall, eat Castle Street - and the rest. Remember, get your Restaurant Week card stamped by five venues and drop it off at Hopefully Made to enter our raffle and be in with a chance of winning a 3-course meal at a Shrewsbury venue of your choice.

*As of 31st October, some offers are still TBA. If a restaurant is on our list but not on this menu, please contact them directly for info!*
